Intended Audience:
The intended audience for this conference includes primary care physicians and specialists in medical oncology, surgical oncology, thoracic surgery, radiation oncology, pulmonary medicine, pathology, radiology, and diagnostic imaging. Residents, fellows, physician assistants, advanced practice nurses, oncology nurses, cancer registrars, and other physicians with an educational need or interest in this topic may also attend.

Overall Learner Objectives:

• Describe how new technologies in the diagnosis and management of lung cancer are changing patient care and clinical outcomes.
• Review recent advances in screening, interventional pulmonology, radiation, and surgery, within the context of national guidelines (i.e., NCCN).

Accreditation/Designation/Disclosure:
The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of 2 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All faculty participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose to the audience any real or apparent conflict of interest related to the content of their presentation.

Cancellation Policy: The Cooper Health System reserves the right to cancel this conference due to insufficient enrollment or other unforeseen circumstances.
